Review	<p>Have you ever been to a place whereby right on the doorstep of a bustling city full with modern facilities, awaiting a stunning tropical marine paradise? Tunku Abdul Rahman Park, locally known as the TAR Park consists of three spectacular islands: Manukan, Sapi and Mamutik Island. Take pleasure by swimming in the crystal clear water along the white sandy beach or snorkeling to explore the tropical marine life. Consequently, the area's fauna, flora and marine eco-systems enjoy the protection of the government appointed environmental body, Sabah Parks. Excellent walking trails criss-cross the rest of the island, meandering through virgin, tropical rain forests.</p>
